

# An Invitation to Join

Every day YoungLives carries hope into the lives of thousands of teen moms and their children. The need for YoungLives is great, and the potential is even greater! Together we can transform future generations.

There are many ways to get involved: mentor, committee member, financial partner, childcare volunteer and so much more. There is a place for YOU in YoungLives!

"Being involved in YoungLives has opened my eyes, challenged my faith, given me great joy, and offered deep fulfillment as I have walked with my girl through hard situations and celebrated with her in beautiful moments. It has allowed me to make an investment and a real difference in a family. YoungLives has enabled me to give back to my own community, while broadening my world. It has given me new friends and much laughter. It has allowed me to see Jesus in a way I never could have imagined."

– YoungLives mentor

"YoungLives itself is totally life-changing. I was thrown to the wayside by 'Christians.' I still believed in God, but not in people. My son will grow up with the Lord in his life because of YoungLives."

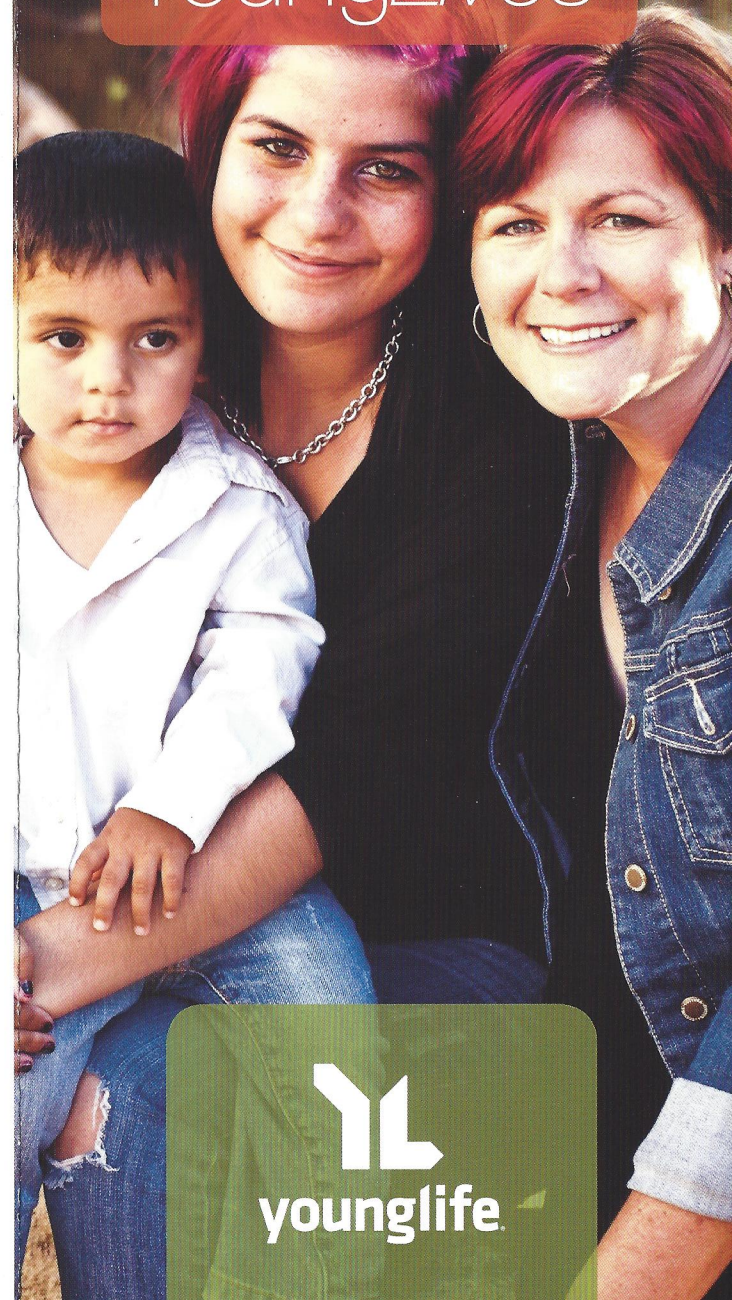

– YoungLives teen mom

# It's no Secret

It's no secret that the teen years can be tough. For some girls, the standard turbulent emotions and raging hormones are just a small part of the struggle. Some have a baby and are parenting alone; some are pregnant and considering their options. These are young mothers filled with beauty and promise, but many find themselves drowning in hopelessness. They need someone to come alongside them bringing compassion, advice and spiritual direction. YoungLives is creating positive, sustainable change in the lives of teen moms and their children, therefore impacting two generations at once.

Every day, YoungLives carries hope into the lives of thousands of teen moms and their children.

## Vision and purpose: a future rooted in Christ

More than 20 years ago, Young Life answered God's call to run headfirst into the chaos of teenage motherhood with the hope of Jesus ... and YoungLives was born.

YoungLives has never wavered from the original vision to reach teen moms by entering their world, modeling the unconditional love of Christ, and encouraging them to become the women and mothers God created them to be. Through Young Life's time-tested methods and life-on-life mentoring, teen moms are empowered to make positive choices, set and achieve goals, and live a future rooted in Christ.

**Teen moms around the world are waiting ... and we can't wait to meet them!**
